

## Additional Extra

Fresh fruit & yoghurt served with every meal!

If your child has an allergy or special dietary requirements, please inform the school and our catering team so we can discuss their needs.

We have highlighted the 14 allergens on our menus to help you make informed decisions. Some of our recipes include 'may contain' information, but this is not included on our menus. This information is however available on our daily allergen matrix. Please contact your school cook for further information.

## Christmas Lunch

Children can celebrate and get in the festive spirit by joining their friends for a traditional Christmas themed lunch.

Our menus are not only tasty, but comply with the Government School Food Standards, meaning they are good for your children too. They will very occasionally need to change due to circumstances beyond our control, so please check with your catering team if your child has any dietary requirements.

We are unable to guarantee a completely food allergen-free environment, as foods containing allergens are used in this kitchen.

# Our New Mascot Pea-ter Pod!

Earlier in the year, we encouraged pupils to enter our Design Our Catering Mascot Competition, and the winning mascot was **PEA-TER POD!**

He promotes having fun with food and eating healthy meals.

We can't wait for Pea-ter Pod to help make lunchtimes more enjoyable for your children!

Keep a look out for where Pea-ter Pod visits! Rumour has it, he's looking to visit the farm where his friends are grown as well as schools where peas are served. Will he be coming to visit your child's school?

Did you know that peas are a good source of plant-based protein, full of fibre, iron and vitamin C?

## Food for Thought

Our school meals help provide children with energy to play with friends and help them do better at school. Each meal contains nutrients that help their whole body; keeping their bones and teeth strong and their hearts healthy.

Choosing a school meal for your child could also save you time and money.

## Vitamin C

Vitamin C is well known for helping the immune system to function correctly. It helps with wound healing and keeping bones and teeth strong.

Vitamin C is found in lots of different foods including fruits, vegetables and meat. It is necessary for growth, and helps other important minerals such as iron, to be absorbed by the body. It also helps to maintain happy and healthy skin.
