

Activity/ Situation	WIDER OPENING OF SCHOOL				
Location	Goathland Primary School				
Persons at Risk	Pupils ☒	Employees☒	Visitors ☒	Contractors ☒	
HAZARD(S)	<p><i>Note: this list is not exhaustive and must be adapted for your own needs</i></p> <ul style="list-style-type: none"> ✗ Social Distancing Measures Not Followed ✗ Social Distancing Measures Not Followed During Travel to and from School ✗ Inadequate Cleaning ✗ Shared Resources ✗ Staffing & Spread of Coronavirus to Staff, CYP and Families, Visitors and Contractors ✗ Site User Becoming Unwell ✗ Site User Developing Symptoms ✗ Inadequate Hand Washing/Personal Hygiene ✗ Inadequate Personal Protection & PPE ✗ Visitors, Contractors & Spread of Coronavirus ✗ Inadequate Ventilation ✗ Fire and Intruder Alarms and Emergencies, Including Lockdown ✗ School Activities 				
	CONTROL MEASURES		ADDITIONAL INFORMATION	YES	NO
<p><i>Note: you must amend and adapt this generic risk assessment to suit your own needs by selecting the controls from the examples provided (adding and amending others where necessary) and then evaluate the overall risk for the activity/situation.</i></p>					
Social Distancing Measures Not Followed					
For pre-school children in early years settings, the staff to child ratios within Early Years Foundation Stage (EYFS) continue to apply and are adhered to	Early Years Foundation Stage	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
As per the existing Supporting vulnerable children and young people during the coronavirus (COVID-19) outbreak guidance, vulnerable children of all year groups continue to be expected and encouraged to attend educational provision where it is appropriate for them to do so	Supporting vulnerable children and young people during the coronavirus (COVID-19) outbreak guidance	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
Primary School classes halved with a maximum of 15 pupils per class and desks spaced as far apart as possible (i.e. not expected to be 2m)	DfE Guidance : Actions for education and childcare settings to prepare for wider opening from 1 June 2020 DfE Guidance Coronavirus (COVID-19): implementing protective measures in education and childcare settings	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
The number of CYP who use the cloakroom facilities at any one time are limited to ensure they do not become crowded.	<i>Only 1 child at a time allowed to use cloakrooms and only where this is necessary for accessing</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	

	<i>toilets. Coats will be kept with child to avoid the need for coat hanging etc.</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
CYP use the same classroom or area of a setting throughout the day		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pupils are seated at the same desk each day if they attend on consecutive days		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
CYP and staff where possible, only mix in a small, consistent group or “bubble” and that small group stays away from other people and groups.	<i>Staggered breaks in place to support this.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
CYP are in the same small groups at all times each day, and different groups are not mixed during the day, or on subsequent days		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The same teacher(s) and other staff are assigned to each group and, as far as possible, these stay the same during the day and on subsequent days.		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Staff positioning – standing behind pupils, working from above pupils, staff walk with hands clasped to avoid contact		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Staff and pupils are reminded that they must not touch their faces, eyes, nose etc.	<i>Posters readily displayed to remind staff</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Consideration given to which lessons or classroom activities could take place outdoors	<i>Field and playground available (marked off zones)</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The timetable and selection of classroom or other learning environment has been used to reduce movement around the school or building	<i>Arrangements eliminate movement, except for toileting</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The number of CYP who use the toilet facilities at any one time are limited to ensure they do not become crowded	<i>Staff will ensure this is one child only</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Assembly groups staggered	<i>Assemblies will not take place at first</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Break times are staggered so that all CYP are not moving around the school at the same time		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Lunch breaks are staggered	<i>CYP should clean their hands beforehand and enter in the groups they are already in, groups should be kept apart as much as possible. CYP will return to their allocated rooms and eat at the tables there. Staff will ensure tables are cleaned before and after eating, with older children doing this themselves, under supervision.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Shared areas such as halls, dining areas and internal and external sports facilities are used for exercise at half capacity	<i>If class groups take staggered breaks between lessons, these areas can be shared as long as different groups do not mix (and especially do not play sports or games together) and</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	<i>adequate cleaning between groups is in place. This will apply to outdoor area.</i>			
Consideration given to one-way circulation, or placing a divider down the middle of the corridor to keep groups apart as they move through the setting where spaces are accessed by corridors		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Consideration given to CYP that may need additional support to follow these measures (for example, routes round school marked in braille or with other meaningful symbols, and social stories to support them in understanding how to follow rules)	<i>Youngest children will need frequent reminders and adult support.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Drop-off and collection times staggered	<i>Families will be given allocated time.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Parents told that if their CYP needs to be accompanied to the education or childcare setting, only one parent should attend	<i>Siblings should not accompany the parent when dropping off or picking up wherever possible. If they have to accompany the parent they must follow social distancing guidelines. Parents asked to alert headteacher to any variations which might be necessary, e.g. single parents with younger siblings.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Parents' drop-off and pick-up protocols planned to minimise adult to adult contact	<i>Clear instructions given to parents by telephone. Drop off is outside school at allocated time.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Parents and CYP are told their allocated drop off and collection times and the process for doing so, including protocols for minimising adult to adult contact (for example, which entrance to use)	<i>FAQ document published to parents and referred to in phone call home.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
It is made clear to parents that they cannot gather at entrance gates or doors, or enter the site (unless they have a pre-arranged appointment, which should be conducted safely)	<i>FAQ document published to parents and referred to in phone call home.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
External entrances to classrooms are used where practical		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Multiple groups do not use play equipment simultaneously	<i>Bubbles will be kept separate</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Early years groups in school have considered how to keep small groups of children together throughout the day and to avoid larger groups of children mixing	<i>Key worker for each 'bubble' will ensure this is effective.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Schools offering residential provision have considered the maximum number of CYP they can safely accommodate in residences		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Staff working in Offices are adequately distanced, are on rota or are working from home	<i>Office staff working from home. HT will not circulate around building unnecessarily.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Numbers of staff using Staff Room are limited or the use of Staff Room is staggered to ensure social distancing is maintained		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Social Distancing Measures Not Followed During Travel to and from School				

Parents and CYP encouraged to walk or cycle to their education setting where possible	<i>Not practical. Bike shed out of bounds.</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Schools, parents and CYP following the government guidance on how to travel safely, when planning their travel, particularly if public transport is required	Coronavirus (COVID-19): safer travel guidance for passengers	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Transport arrangements cater for any changes to start and finish times		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
It is ensured that transport providers, as far as possible, follow hygiene rules and try to keep distance from and between their passengers		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Appropriate actions taken to reduce risk if hygiene rules and social distancing is not possible, for example when transporting CYP with complex needs who need support to access the vehicle or fasten seatbelts		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Revised travel plans clearly communicated to contractors, local authorities and parents where appropriate (for instance, to agree pick-up and drop-off times)	<i>FAQ document published to parents and referred to in phone call home.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Inadequate Cleaning				
Discuss with cleaning contractors or staff the additional cleaning requirements and agree additional hours to allow for this	<i>Confirmed with Sarah Gough. Additional cleaning measures daily, to include door handles, light fittings, back of chairs, window ledges, computer screens and keyboards, etc.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Surfaces that CYP are touching, such as toys, books, desks, chairs, doors, sinks, toilets, light switches, bannisters etc. are cleaned more regularly than normal	<i>Resources will be cleaned or wiped daily.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Electronic entry systems and keypads are regularly sanitised particularly first thing in the morning and where possible after each use	<i>Arranged with cleaner.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Bins for tissues and other rubbish are emptied throughout the day	<i>Staff to replace bins at midday. Bin to be emptied will be placed outside front door (not blocking fire exit) and clean bin will be used. Cleaner will be briefed to look for bin outside door.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Stocks of cleaning chemicals, liquid soap, paper towels, tissues, toilet roll, bin bags etc. regularly checked and additional supplies requested as necessary	<i>HT to liaise with cleaner regularly. Staff to report low stocks as soon as they become aware.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Disposable tissues are available in each room for both staff and CYP use		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Consideration given to how play equipment is used ensuring it is appropriately cleaned between groups of children using it	<i>Cleaning materials are available and teachers will ensure any equipment used is cleaned after use (this may be alerting the cleaner for the end of day)</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Outdoor equipment must not be used unless the setting is able to ensure that it is appropriately cleaned between groups of CYP using it	<i>As above. Playground/EY outdoor equipment must be cleaned by staff member in charge of group, or put out of bounds until cleaner can do so.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Unnecessary items particularly those that cannot be easily cleaned removed from classrooms and other learning environments where there is space to store it elsewhere	<i>Items removed: bagged or covered.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Soft furnishings, soft toys and toys that are hard to clean (such as those with intricate parts) removed		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Shared Resources				
CYP advised to not bring personal items in from home as this will reduce possible spread of the virus	<i>FAQ document published to parents and referred to in phone call home.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Shared materials and surfaces are cleaned and disinfected more frequently	<i>Staff in charge of 'bubbles' to ensure regular cleaning. Children encouraged to do this, with training.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Staff not taking resources from school home e.g. books		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Devices/ laptops/tablets etc. that are brought from home to school and back again are cleaned at the start and end of the day		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Staffing & Spread of Coronavirus to Staff, CYP and Families, Visitors and Contractors				
CYP (0 to 18 years of age) who have been classed as clinically extremely vulnerable and clinically vulnerable due to pre-existing medical conditions have been advised to shield and are supported at home as much as possible		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Staff who have been classed as clinically extremely vulnerable and clinically vulnerable due to pre-existing medical conditions are not expected to attend work	<i>Clinically vulnerable (HT – asthma) able to work alone in office, maintaining social distancing. Staff to wear face coverings to further reduce risk.</i>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
If a CYP or staff member lives in a household with someone who is extremely clinically vulnerable they are not expected to attend site		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
If a CYP or a member of staff lives with someone who is clinically vulnerable (but not clinically extremely vulnerable), including those who are pregnant, they can attend their education or childcare setting		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Staff who are pregnant or others with specific health conditions may be asked to work from home as they are in the vulnerable group and to follow government advice as it is issued		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Access to PPE should be available where there is contact with diagnosed or suspected person with covid-19	<i>See Inadequate Personal Protection & PPE section of this risk assessment</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Sneeze into a tissue or sleeve NEVER into hands. Wash hands immediately after	<i>Staff to give frequent reminders on this throughout the day</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Used tissues to be put in a bin immediately		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Site User Becoming Unwell				

If anyone becomes unwell with a new, continuous cough or a high temperature in an education or childcare setting, they must be sent home and advised to follow the COVID-19: guidance for households with possible coronavirus infection guidance	COVID-19: guidance for households with possible coronavirus infection guidance	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If a CYP is awaiting collection, they should be moved, if possible, to a room where they can be isolated behind a closed door, depending on the age of the CYP and with appropriate adult supervision if required. Ideally, a window should be opened for ventilation.	<i>If it is not possible to isolate them, move them to an area which is at least 2 metres away from other people: if possible a chair outside the back door (weather permitting) or as a last resort, HT office.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If the CYP needs to go to the bathroom while waiting to be collected, they should use a separate bathroom if possible. The bathroom should be cleaned and disinfected using standard cleaning products before being used by anyone else	<i>This is not possible. Cleaner will be requested to attend to disinfect toilet after use.</i>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
PPE should be worn by staff caring for the CYP while they await collection if a distance of 2 metres cannot be maintained (such as for a very young CYP or a CYP with complex needs)	See Inadequate Personal Protection & PPE section of this risk assessment	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
In an emergency, call 999 if the CYP is seriously ill or injured or their life is at risk. Do not visit the GP, pharmacy, urgent care centre or a hospital		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If a member of staff has helped someone who was unwell with a new, continuous cough or a high temperature, they do not need to go home unless they develop symptoms themselves (and in which case, a test is available) or the CYP subsequently tests positive. They should wash their hands thoroughly for 20 seconds after any contact with someone who is unwell		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Cleaning the affected area with normal household disinfectant after someone with symptoms has left will reduce the risk of passing the infection on to other people	<i>Cleaner to be requested in this case to disinfect as soon as possible.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Site User Developing Symptoms				
Children, young people, parents, carers or any visitors, such as suppliers, are told not to attend or enter the education or childcare setting if they are displaying any symptoms of coronavirus	<i>Poster displayed on front door and reminder in FAQ document. Posted on website and FB..</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
When a CYP or staff member develops symptoms compatible with coronavirus, they are sent home and advised to self-isolate for 7 days. Their fellow household members should self-isolate for 14 days.	All staff and CYP who are attending an education or childcare setting will have access to a test if they display symptoms of coronavirus, and are	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	encouraged to get tested in this scenario			
Where the CYP or staff member tests negative, they can return to their setting and the fellow household members can end their self-isolation		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Where the CYP or staff member tests positive, the rest of their class or group within their childcare or education setting should be sent home and advised to self-isolate for 14 days	The other household members of that wider class or group do not need to self-isolate unless the CYP or staff member they live with in that group subsequently develops symptoms	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Parents, carers and settings do not need to take children's temperatures every morning. Routine testing of an individual's temperature is not a reliable method for identifying coronavirus. Educational and childcare settings should reiterate to parents the need to follow the standard national advice on the kind of symptoms to look out for that might be due to coronavirus, and where to get further advice	If anyone in the household develops a fever or a new continuous cough they are advised to follow the COVID-19: guidance for households with possible coronavirus infection guidance (which states that the ill person should remain in isolation for 7 days and the rest of the household in isolation for 14 days)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Inadequate Hand Washing/Personal Hygiene				
Staff/CYP/cleaners/contractors etc. will be reminded to wash their hands before leaving home, on arrival at the premises and before and after handling cleaning chemicals, eating/drinking, using the toilet, after PE/sports activities and after coughing or sneezing and not to touch face (eyes, mouth, nose) with hands that are not clean	<i>Posters will be displayed to remind visitors.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The 'catch it, bin it, kill it' approach is promoted	<p>CATCH IT  Germs spread easily. Always carry tissues and use them to catch your cough or sneeze.</p> <p>BIN IT  Germs can live for several hours on tissues. Dispose of your tissue as soon as possible.</p> <p>KILL IT  Hands can transfer germs to every surface you touch. Clean your hands as soon as you can.</p> <p></p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Wash with liquid soap & water for a minimum of 20 seconds	Guidance on hand cleaning <i>Supervising staff to model this frequently to their 'bubble' and to supervise where possible.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Alcohol based hand cleansers/gels (containing at least 60% alcohol) can only be used if soap and water are not available, but is not a substitute for hand washing. Such gels MUST ONLY BE USED UNDER CLOSE SUPERVISION because in normal circumstances CYP should not be using alcohol based hand cleansers	<i>Teachers have supply of hand sanitiser. They will not allow children to use this unless parental permission is given. Even then, it must still be under close supervision.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Consideration should be given to allocating individual toilets and sinks to CYP where numbers are low and this is achievable, otherwise sinks and toilets will be regularly sanitised throughout the day	<i>This needs to be done first thing in the morning, after breaks and after lunch at least. This is not possible at Goathland.</i>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Hands must be dried properly to prevent infection and drying out.	Parents/carers to be advised to use appropriate hand moisturisers offsite due to allergy risk <i>Teachers to communicate this to the parents of children in their 'bubble'.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Inadequate Personal Protection & PPE				
PPE will need to be worn by a member of staff if a CYP becomes unwell with symptoms of coronavirus while in their setting and needs direct personal care until they can return home. A face mask should be worn by the supervising adult if a distance of 2 metres cannot be maintained. If contact with the CYP is necessary, then gloves, an apron and a face mask should be worn by the supervising adult. If there is a risk of splashing to the eyes, for example from coughing, spitting, or vomiting, then eye protection should also be worn	<i>PPE available.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Education, childcare and children's social care settings and providers should use their local supply chains to obtain PPE		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Visitors, Contractors & Spread of Coronavirus				
Visitors to the premises will be discouraged and all non-essential visitors will be cancelled postponed or meeting takes place by skype		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

All visitors and contractors must make pre-arranged appointments or they will not be allowed on site		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Contractors to attend by agreement only after school have satisfied themselves that it is necessary for the visit to take place at that time and that all required controls are in place to allow the work to continue safely		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Contractors to provide updated risk assessment prior to visit which includes their own controls round infection spread prevention	Times of visits may need to be adapted to take in to account the ability to maintain appropriate social distancing measures and availability of resources to effectively clean following the visits	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Inadequate Ventilation				
Ventilate spaces with outdoor air	<i>Windows and doors will be kept open where possible.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Ensure regular airing with windows (even in mechanically ventilated buildings)		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Keep toilet ventilation in operation as much as possible while building is occupied	<i>Windows will be kept open where possible.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Switch air handling units with recirculation to 100% outdoor air		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Prop doors open, where safe to do so (bearing in mind fire safety and safeguarding), to limit use of door handles and aid ventilation	Fire doors must not be propped open unless they have a self-closing hold open device fitted	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Fire and Intruder Alarms and Emergencies, Including Lockdown				
All staff and CYP to undergo induction in the fire and emergency routines accident/first aid procedures and lockdown procedures. This may not be the usual routes. Repeat as necessary with new starters (staff/young people)	<i>Existing fire procedure stands. Staff in charge of 'bubble' to ensure children are clear on routine. Fire practice in first week.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Ensure that emergency cut-off points for water, gas and electric are clearly marked and known by the senior designated member of staff and that details of emergency contacts for utilities are readily available		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If there is a 24-hour monitoring system in place for alarms (fire &/or security) the monitoring centre will need to be aware of any new emergency out of hours contact details		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
School Activities				

CYP do not interact in a manner where they will have close contact with each other (maintain social distancing). This must be supported by very clear expectations	<i>Staff supervising 'bubble' to make expectations clear and to model required behaviour.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Practical lessons can go ahead if equipment can be cleaned thoroughly and the classroom or other learning environment is occupied by the same CYP in one day, or properly cleaned between cohorts	<i>Cleaning stations available in each classroom. Cleaner will replenish daily.</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Practical activities in Secondary Schools undertaken in accordance with CLEAPSS guidance		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Have you consulted with the people/representatives undertaking the activity as part of the preparation of this risk assessment	Yes <input checked="" type="checkbox"/>		No <input type="checkbox"/>	
What is the level of risk for this activity/situation with existing control measures	High <input checked="" type="checkbox"/>	Med <input type="checkbox"/>	Low <input type="checkbox"/>	
Is the risk adequately controlled with existing control measures	Yes <input checked="" type="checkbox"/>		No <input type="checkbox"/>	
Have you identified any further control measures needed to control the risk and recorded them in the action plan	Yes <input type="checkbox"/>		No <input checked="" type="checkbox"/>	
ACTION PLAN (insert additional rows if required)	To be actioned by			
Further control measures to reduce risks so far as is reasonably practicable	Name		Date	
State overall risk level assigned to the task AFTER implementation of control and action plan measures taken as a result of this risk assessment	High <input type="checkbox"/>	Med <input checked="" type="checkbox"/>	Low <input type="checkbox"/>	
Is such a risk level deemed to be as low as reasonably practical?	Yes <input checked="" type="checkbox"/>		No <input type="checkbox"/>	
Is activity still acceptable with this level of risk?	Yes <input checked="" type="checkbox"/>		No <input type="checkbox"/>	
If no, has this been escalated to senior leadership team?	Yes <input type="checkbox"/>		No <input type="checkbox"/>	
Assessor(s):	Helen Isaac	Signature(s):		
Position(s):	Headteacher	Signature(s):		
Date:	21.5.20	Review Date:	5.6.20	
Distribution: Staff, governors, website				

Risk rating	Action
HIGH	Urgently review/add controls & monitor, notify H&S Team (if Likely or Highly Likely – stop work, seek competent advice)
MEDIUM	Review/add controls (as far as reasonably practicable) & monitor
LOW	Monitor control measures

POTENTIAL OUTCOME		LIKELIHOOD		POTENTIAL OUTCOME					
Catastrophic	Fatal injury/permanent disability	Highly likely	More likely to occur	Catastrophic					
Major	RIDDOR reportable Specified Injury/Disease/Dangerous Occurrence	Likely	↓	Major					
Moderate	RIDDOR reportable over 7 day injury	Possible		Moderate					
Minor	Minor injury (requiring first aid)	Unlikely	Remote	Minor					
Insignificant	Minor injury	Remote	Less likely to occur	Insignificant					
					Remote	Unlikely	Possible	Likely	Highly Likely

LIKELIHOOD
