Dear Parents,

**Cross Country** - A superb afternoon was had at Caedmon yesterday for the Primary Schools Cross Country Competition. The weather was fantastic and Base 2 gave it their all! Over 100 Year 3 and 4 girls competed in the competition. Esme came 1st and Martha came 2nd! The Year 3 and 4 girls also won their Team Competition. The Year 5 and 6 boys also won their Team Competition as Luca, Ashton and Luke all came home in the top 15 competitors. We are very proud of you all, well done.

**Whole School – 22<sup>nd</sup> October 2018 School Photographs** – Family portraits will be taken first (8.45am – 9am)

## **Year 6 transfer to Secondary School September 2019**

Do not forget to make an application for a secondary school place by the deadline of 31 October 2018.

**Base 2 - 6<sup>th</sup> November 2018** Base 2 will be travelling by bus to Peat Rigg Outdoor Training Centre, Cropton to take part in workshops around themes of farming, the countryside and outdoor learning. Pupils will need to wear warm, waterproof clothing and footwear as the majority of the workshops will take place outside. Mrs Turford will provide packed lunches for the children which will hopefully be enjoyed whilst sat around a campfire. Pupils will need to bring a named water bottle and rucksack with them.

We wish to gather information about the level of demand for various kinds of provision for your children – I would be grateful if you could complete the survey below and send it back to school asap.

We are at the very early stages of thinking about this so **please note this survey in no way guarantees that we will be able to provide any of the services at this point** but it will help us to make decisions for the future. It is likely that there will be charges for any of these provisions if we were to go ahead with any options.

Please pass it on to any family you know who currently do not have school age children but might be interested. Thank you very much for your help.
