Dear Parents, Carers and Families,

The internet is always changing, and being able to keep up to date with your children's use of technology can be a challenge, especially if you feel that your children may have better technical skills than you do. However, children and young people still need support and guidance when it comes to managing their lives online and using the internet positively and safely. More detailed information is being sent home this week for you to read, including potential online risks and conversations you can have with your children about their internet use. We will be reinforcing the key messages with children too over the coming weeks. As always - if you need any advice or have any questions in relation to online safety, please just ask!

Have a lovely weekend - *Helen Tillson*

If you would like to contact me directly at any time about any matter, please email me at: headteacher@goathland.n-yorks.sch.uk

Certificate of Achievement

This week's winners are:

Base 1 – Lottie Bennett - for the excellent presentation of her Mary Anning diary entry.

Base 2 – Sapphire Eastaugh for solving word problems involving different calculations of up to 7 digit numbers

- **Harry Belchamber** for finally recording 7 digit calculations on paper and not trying to do it all in his head!

GOAL – On Tuesday, Years 2 – 5 have been given the fantastic opportunity to participate in GOAL for the day in school.

GOAL (The Game of Actual Life), provides children with the opportunity to gain confidence with money in everyday situations while giving them invaluable life skills which will stay with them into their adult life. We are positive this will not only be a great learning experience for the children but a really enjoyable one too! Year 6 children will join the group after they return from Crucial Crew. *Please note – Year 6 children need to leave for Scarborough at 8.30am on Tuesday morning and must bring a packed lunch please!*

'Bag2School' will be collecting on **20th June**. Please hold on to all bags until then as we have no space in school to store them (we have tried, honest!) Thank you!

easyfundraising page – Here is a reminder to sign up to the easyfundraising page, it costs nothing and is a great way to raise money for school. If you would like any help with this then please ask us!

Sport Day – Thursday 14th June at 1.45pm – Next Thursday is Sports Day and we hope that you can join us and cheer on the children. We are aiming for a 1.45pm start, meeting at the Hub. At the end of the races, we hope you will join us for coffee and cakes. Any donations of cakes would be really appreciated! Thank you in advance. If the weather is poor on the day and we are forced to cancel we will post it on our Facebook page giving you as much notice as possible. Let's hope the sun shines!

Bewerley Park – 2nd – 6th July. Please ensure that payments are being made towards the trip and that payment is received in full by the week commencing Monday 25th June. Thank you!

Parent View – Your views are important to us. **Please take a few minutes to log onto Parent View**. Parent View gives you the chance to tell Ofsted what you think about your child's school, from the quality of teaching to dealing with bullying and poor behaviour. The survey can be completed at any time; you don't have to wait until the school is being inspected. It will only take a few minutes and the instructions are easy to follow.
