

GOATHLAND PRIMARY SCHOOL

*Believe you can.
Together we will.*

11th September 2020

Dear Parents,

Welcome back to school! I hope you and your families have had a good summer holiday and enjoyed the chance to spend even more time together! This week we have begun to feel a sense of normality as the children have quickly settled back into school life and are eager to 'crack-on' in their new school years.

This week we welcomed Mrs Shotton as our new Lunchtime Supervisor. Mrs Shotton lives in the village and has many years experience as a Lunchtime Supervisor in Bedford.

Our Forest School was a welcome return for many this week as they learnt about fire safety in preparation for Kelly Kettles, campfires and fireside cooking. During the summer the National Park Rangers very kindly installed our heather bale leaky weirs along the main gully and cleared around our new hedge plants.
