SCHOOL**
*Believe you can
Together we will*

12th March 2021

Dear Parents,

WELCOME BACK!

Base 1 It's amazing to be back! It's been a busy week but we have loved being back together. Please could you check Teams regularly, or leave notifications on, as I intend to communicate with you on there about homework and what we have been doing in school (please remember to @ me on Teams, when you send a message). I think we ALL need a rest this weekend!

Base 2 I asked the children how they felt to be back at school, they told me it was "good to be back", "fun", "good to see my friends", "exciting", "amazing", "less boring than staying at home", "better than home schooling" and that they were happy! I think this shows how pleased we all are to be back together again.

As you can see from the photos, Forest School was a highlight of the week.

Relationships and Health Education We hope you found our email about our new RSE curriculum topic informative, we look forward to seeing as many of you as possible at the Zoom meeting on Tuesday. If you have any questions or concerns please email admin@goathland.n-yorks.sch.uk.

Kind Regards,

Helen Isaac

Headteacher
