- 21st July – Break up for summer
- 6th September – Return to School
- 7th September – Tour of Yorkshire Bike Race (to be confirmed)
- 13th October – Base 2 Science and Engineering Day
- 9th November – Flu Immunisation

21st July 2022

Dear Parents,

As the end of another academic year comes to a close it is time, once again, to say goodbye to our Yr6 children. The girls all enjoyed their transition week to the secondary schools and are ready to move on but will be very much missed by Mrs Bordoli and their younger peers.

It is time also to say goodbye to Mrs Turford who, after many years as our school cook, is finally coming out of the kitchen and setting off to explore the world in her new campervan. She will be missed by everyone but we all hope she enjoys her well-deserved retirement.

Beck Hole Road, Goathland, Whitby,
North Yorkshire, YO22 5ND
Telephone: 01947 896230
Headteacher: Mrs H Isaac
E-mail: admin@goathland.n-yorks.sch.uk
School Website: www.goathland.n-yorks.sch.uk
Facebook: Goathland Primary School

After three years as our Executive Headteacher, Mrs Isaac too is moving on. She had the tricky task of steering the school through Covid but hopefully will have some happy memories of her time with us. We would like to thank Mrs Isaac for her hard work and wish her all the best for the future.

Base 1

It has been wonderful to welcome some of our new Nursery children for stay and play sessions and the children have enjoyed our new visitors!

The reception children have risen to the challenge already of being our 'new year ones'.

We have kept cool this week and enjoyed water play and wet sand activities, in addition we created some lovely art work based on pointillism.

We welcomed Miss Winter to our classroom and the children have enjoyed working with her on activities.

We had a great trip to Sandsend, exploring and finding sea treasure, looking for fossils and having some treats, a lovely end to the summer term.

Base 2

Base 2 welcomed the Year 2 children at the beginning of last week as part of their transition from KS1 to KS2. Both the boys settled in very quickly and have been working hard alongside their new classmates.

The last few days of school have been as busy as ever with end of term activities. We had a visit from Whitby Library to tell the children about the summer reading challenge, a clarinet lesson with Mr Butterfield, cards to make for Mrs Turford and Mrs Isaac and lots of preparation to do for the leaver's assembly.

Whole School

Forest School

During last week's Forest School session, the children made suncatcher windows. The Reception children used card circles for their borders while the older children made grass hoops. All the children then filled their frames with the petals, leaves and seed heads they had collected to make their individual designs. Their final creations were beautiful – we have some very creative children.

This week the children spent most of the session keeping to the shade of their dens. The dens needed a tidy up before the end of term! They also made a small fire in the firepit to roast a few marshmallows as a final treat.

P.E.

The children chose to play cricket for their last P.E. session this year. The older children played a version of short cricket whilst the reception children got to grips with using a bat. We have some big hitters so it was great to have the space to play.

Finally, the staff would like to say thank you to all the parents for their on-going support, it really is appreciated and our little school would not be the same without it.

We wish everyone a fabulous summer holiday and we will look forward to seeing many of you at the Village Show on Saturday 13th August.

From all the staff at Goathland School .
